

Eddie had a lot to say.

"I've picked a team," he went on.
"We'll play 11 a-side with two subs.
I'm sorry that you can't all play.
Perhaps some of you will come to support us."

The lads were looking at each other.
They all wanted to be in the team.

"If you are playing, please make your own way there. Parton is on the other side of town. I can tell you the way if you need help." Eddie went on, "There are two more things before I read the team list out. About your kit ... "

"I was thinking about that too," Sam said to Danny.
"I wonder what it'll be."
