Read the passage and highlight the 'ck' words.

Jack has a bright red rucksack on his back. He runs up the track to the top of the hill. He can see a big flock of sheep. Then he sits down for a rest, unpacks his rucksack and gets out his packed lunch. He can see a big black flecked duck and the duck quacks at him. Jack thinks that the duck wants to attack him to get his packed lunch. The duck will be unlucky as Jack is too quick and hides all his lunch.
