

# Who's the Creature?

What if a creature from another planet came to visit you?

- ◆ Draw a picture of your new friend.
- ◆ Describe a game your friend teaches you to play.
- ◆ Write down the rules of the game and try playing it with a friend. What is the object of the game? How it is different to games you play here on Earth? How is it the same?

# Feelings Poem

An interesting way to describe a feeling is by using your senses. Imagine what colour the feeling would be and how it would taste, smell, sound and feel.

For example:

Anger is fiery red.  
It tastes like jalapeño peppers stinging my tongue.  
It smells like the smouldering embers of a forest fire.  
It sounds like dynamite blasting craters in the earth.  
It feels like a volcano rumbling inside me.

- ◆ Choose another feeling. Use the format above to write a poem about that feeling.
