*Extract from class piece*

Now it's your turn.

Read all the details below before you start writing.

- \* Imagine you have heard a brand-new pop band. They sound great, they look great, their songs are great – they will be great! The only thing they don't have is a great band name.
- \* This is where you come in: the band has asked you to come up with some possible names for them.
- \* They need 13 names altogether to choose one from. This is the pattern they have given you:  

The + adjective + noun
- \* The adjective and noun must follow the sequence *A-B, C-D, E-F, G-H*, etc. as in the extract above, all the way to *Y-Z*.
- \* The band want a very unusual name for themselves, so do your very best to find the weirdest, most unlikely pairings of adjective and nouns you can. Don't be afraid to be different!
