picture this...

.....
What if we could travel anywhere in the world in less than five minutes?
.....

What if there were no trees?
.....

What if people could only walk backwards?
.....

What if no history had ever been recorded?
.....

What if people were born old and became young?
.....

What if people could only sing and not talk?
.....

What if, instead of hands, people had tentacles?
.....

What if there was no such thing as Monday?
.....

What if nothing could stick?
.....
