

Learning objectives**Pupils will be able to:**

- * Talk about the weather and seasons in general
- * Describe the day's weather conditions

Resources needed

- * Sheets 4a, 4b, 4c, 4d, 4e; CD Tracks 4–5
- * Cardboard; split pins; large sheet of paper; sticky notelets or paper and Blu-Tack.

Activities

- *  Introduce weather expressions. Listen to the CD and show the flashcards (sheet 4a) as they are heard. Pupils repeat the phrases.
- * Use the flashcards to emphasize weather expressions. Place flashcards in a row face down on a table/board. One pupil picks a card, gives it to you without looking at it and has a guess at the weather expression. If incorrect then the group can guess. The correct pupil chooses another card, and so on.
- * Pupils fill in the weather wheel (sheet 4b) by putting the correct phrase(s) with the pictures. They could mount it on cardboard and put a split pin through the middle with the arrow cut out. Highlight repetition of 'Hace ...'
- *  Introduce the question '¿Qué tiempo hace hoy?' Pupils move the arrow to point to today's weather and respond. They could also point and say the weather for other days as if they were back on that day.
- *  Introduce seasons by extending '¿Qué tiempo hace ... en otoño/en invierno?' Suggest several typical weather conditions and actions to help elicit understanding of season words. Repeat, eg 'En otoño hace viento y llueve.' Pupils suggest weather typical of each season.
- * Sheet 4c can be used to reinforce the seasons.
- *  Sheet 4d. This listening exercise combines seasons and weather. Pupils number the pictures as they hear the corresponding descriptions. More able pupils could write the phrases as well.

- *  Sheet 4e (CD Track 5). Song: ¡Qué llueva, qué llueva! Pupils could follow the words and sing the song.

Further activities

- * Pupils could use a chart similar to 'la semana' week plan (Unit 3) to record the weather each day for a week either by writing the phrase or drawing a weather symbol. On Friday you could review the week's weather.
- * Weather 'round-up'. Draw a large outline of Spain on the board/large sheet of paper. Mark on a few principal towns, eg Madrid, Barcelona, Málaga, Valencia, etc (sheet 6b could be enlarged). Pupils prepare weather symbols in pairs/groups on sticky notelets or small pieces of paper and Blu-Tack. They then present a weather 'round-up' saying 'En Madrid llueve', or 'En Barcelona, hace bueno', etc while sticking their symbols on the map.
