

At the Rocket Factory

Synonyms are words that have the same meaning. For example: sad and unhappy.

Can you think of another word that means the same as the one in the round window? Colour in the rocket flames when you have written your word on the line.

I've been called to the rocket factory. The engineers need some help getting more synonyms before the rockets can blast off.

Challenge

The rockets are going to explore a new planet. The scientists have used some words to describe it. Can you think of two others that mean the same thing?
