

# Pip at Satis House

8 Pumblechook gives Pip a tiny breakfast and asks him lots of questions.

They then go to Miss Havisham's house.

A pretty girl the same age as Pip welcomes him coldly (and tells Pumblechook to go away).

She guides Pip to Miss Havisham.

Pip thinks she is the strangest woman he has ever seen.

She is wearing an old wedding dress.

She says strange things to Pip ...

Miss Havisham calls Estella to make her play cards with Pip.

Estella is rude to Pip.

Estella makes Pip feel like a worthless, 'common' boy.

Pip runs off to cry.
