

## Wrapping with text

A local recording studio heard your school band and choir perform some of the songs the students have written. Most of the songs are about being a teenager in a modern world. They have agreed to make a CD with the school band and choir. The head of music has decided to have a competition to find the best design for the CD cover. He has set certain guidelines for you to follow.

**Task** Design the CD cover.

- ◆ The CD cover must have a picture on it.
- ◆ It must show the school name.
- ◆ The title for the CD must reflect the type of music on the CD.
- ◆ The text must be wrapped around the picture.
- ◆ A list of the songs must be shown.
- ◆ Use WordArt if you have the facility.
