

The next Saturday afternoon, Sam was in the garden.

Eddie came to call.

He was on his old bike.

Sam heard it clanking up the street.

"Hello, Sam!"

"Hi, Eddie!"

Eddie was in his tracksuit.

"Is your mum in?" he asked.

"She's in the kitchen. I'll show you."

Eddie had some things to ask Sam's mum.

He wanted to know if everyone was happy with the training.

Mum said she had talked to some of the other mums. Everyone was pleased.

"Was the letter OK?" asked Eddie.

"It was fine," said Mum. "Danny's mum asked if his Grandad could come and watch."

"Yes, of course," said Eddie. "I know he'll be a big help, too."

"Would you like a mug of tea?" asked Mum.
