Stories are an ideal way to engage children and get them excited about learning French. A good French story will:

- ✓ Provide an enjoyable, stress-free way to learn the rhythm of the language, intonation and pronunciation
- ✓ Introduce sentence structures in a natural way, so children learn to phrase things as a native speaker would
- ✓ Make it easy to present written and spoken language together so children can see the links between them
- ✓ Enable key vocabulary to be learned in context
- ✓ Empower children to create their own sentences
- ✓ Combine naturally with drama and role-play

With **Learn French with Luc et Sophie** you not only get 28 specially written, humorous, graduated stories. You will also get all this:

- Audio-enhanced electronic copies of the stories for individual use or display on IWB
- An original song in each unit to reinforce vocabulary
- Audio files of stories, acted out by native French speakers, along with vocabulary, songs and listening exercises to aid correct pronunciation
- Activities for use on IWBs
- Easy to use teacher's book with lesson plans based on stories and ideas for developing all four language learning skills – reading, writing, speaking and listening
- Reproducible activity sheets, scripts for stories and assessment sheets
- Translations, vocabulary lists, grammar boxes – all to support the non-specialist.
