How did you do?

It's the most important jump of the day. *Mighty Hypersonic Heather* needs to jump high enough to reach and solve all the questions to win. Let's hope her cape makes her fly mighty high!

Home Challenge

Get an adult to write some 3x table questions on cards and hang them on a washing line. Then jump and get them. How many can you answer?

Mighty Challenge

Heather grabbed 3 cards in the first jump, 3 cards in the second jump and 3 again in the third jump. How many cards did she collect altogether?
