

Super floats

10:00 **6x**

How did you do?

Mighty Bubble Bursting Brenda wants to beat **Dennis the Demon Digit Demolisher!** Help her to fetch numbers from the floats in the pool. Multiply each float by 6 and add the total to the scoreboard.

Scorecard	
__ x 6 =	__ x 6 =
__ x 6 =	__ x 6 =
__ x 6 =	__ x 6 =
__ x 6 =	__ x 6 =
__ x 6 =	__ x 6 =
__ x 6 =	__ x 6 =

Home Challenge

Fill your bath or a bowl with a mighty large amount of bubbles. Get an adult to ask you 6x problems and write the answers in the bubbles with your finger.

Mighty Challenge

What is the highest number you can score with 3 floats?
