How did you do?

Mighty Gallant Glenda has been stopped in her tracks whilst training in the park. *Dennis the Demon Digit Demolisher* has blasted down some star obstacles from space. Unless she can solve the problems she won't complete her training and won't be ready for her big race.

Mighty Challenge

While Glenda was running, she found these 2 stars:

Can you divide the first by the second number?

Home Challenge

Ask an adult to write multiples of 11 on cards. Divide them by 11 as quick as a flash. Can you beat everyone in your house?
