NAME

Cartoon Story Board

Look at the mix of quick drawings, words and camera shots used to create a story board for a cartoon. Add colour to help get the story across.

MS = mid shot

CU = close up

ECU = extreme close up

Make a story board for a cartoon of your own. Show quick sketch ideas, words and camera shots. Then add colour to help express the meaning.

Visual Literacy: *creating a story through images, colour and camera shots.*
