

Danny was having tea in front of the TV.

"Danny! Danny! Guess what?"

"Oh, Sam, it's you. Come in," said Danny's mum.

"Danny's watching TV. Go through to him."

"Danny! Guess what?" said Sam. "You know Mrs Ford? Well, her son, Eddie, wants to run a football team for us!"

Danny stopped eating his chips and looked at Sam.

"For us?" he said.

"Yes, us! For you and me and Rob and Mouse and all the others."

"Are you sure?"

"Look, Danny - he's round at our house now. He's talking to my mum. Come and see him if you like."
