

Bobot the Spy

Bobot the Robot has been at a party secretly recording conversations. Can you rewrite the conversations adding all the missing speech marks?

1. What a marvellous party this is, said Delly Davis. I've had a lot of fun.

2. I've literally danced all night, squealed Lilly Lemon. My feet are going to drop off!

3. I think I've talked too much, grinned Gavin Grokkle. I can hardly speak.

4. I thought the dancers looked amazing, gasped Gilly Jines. Their outfits were gorgeous!

5. I won the competition for the best outfit, smiled Lenny Luckless.

6. I don't normally win competitions, he added.

7. Did I leave my coat at the party? asked Gwen Diddle.
