

Letter of Complaint

To write a **persuasive text** you have to present an argument from a particular point of view.

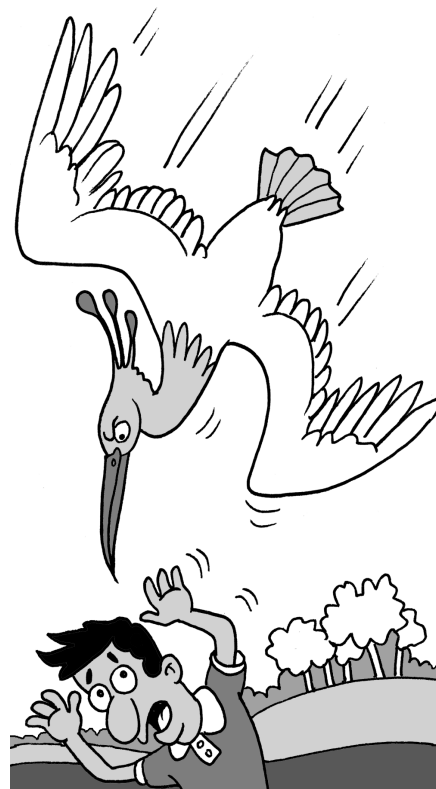

Giant Grumbleweed is trying hard to write a letter to the Giantania Council to complain about the Snorksnot Birds which are causing havoc in the Forest of Ugg. Use some of his notes to help you write the letter to the Council in as much detail as possible. Make sure your argument is balanced and you present your facts clearly.

Dear Councillor Grogwell,

My notes

Snorksnot Birds:

- are vicious
- have sharp beaks
- steal other birds' chicks
- smell
- dive bomb walkers
- frighten children
- screech noisily
- breed very quickly
- have feathers that make you itch if you touch them
- have pecked locals

Challenge

Imagine that you are Councillor Grogwell, respond to Giant Grumbleweed explaining what you plan to do to stop the Snorksnot birds from causing so much havoc. Brainstorm your ideas here and then write your response.
