How to Achieve Outstanding Writers in the Early Years Foundation Stage and KS1

Teaching about Character

### Teaching about Character

Key Stage 1 children are able to identify that a character in literature is whoever appears in that story. In order to write a story, children obviously have to have someone to write about. However, there is so much more to this concept which is beneficial for children to get to grips with.

I usually start by doing a character study linked to a story.

**N  
I  
N  
E**

When we have been reading a lot of them. Too often, we talk about how in a story, it doesn't actually work like that. We get to work on that. That's because it's not.

**Peter Piper picked ...** This is a famous tongue twister which explores alliteration. Choose a letter and create another version as a class altogether. Now ask children to create their own character using alliteration. For example, Happy Harry had a hat. Now write a story about Happy Harry and his hat.

**The most famous person in the world** Ask children to create a character who becomes famous overnight. What did they do to become so famous? What are they like? Are they happy or sad about it? What are their characteristics that help them to cope with fame? What happens next?

**Magic or something else?** Who is she and what's happening here?

## Help prepare children for KS2 Reading SATs paper

- Give opportunities to tackle more complex vocabulary and develop endurance for longer passages.
