
Cat in the Dark

by Margaret Mahy

Mother, Mother, what was that?
Hush, my darling! Only the cat.
(Fifty-bitey, ever-so-mighty)
Out in the moony dark.

Mother, Mother, what was that?
Hush, my darling! Only the cat.
(Prowly-yowly, sleepy-creepy,
Fifty-bitey, ever-so-mighty)
Out in the moony dark.

Mother, Mother, what was that?
Hush, my darling! Only the cat.
(Sneaky-peeky, cosy-dozy,
Prowly-yowly, sleepy-creepy
Fifty-bitey, ever-so-mighty)
Out in the moony dark.

Mother, Mother, what was that?
Hush, my darling! Only the cat.
(Patchy-scratchy, furry-purry,
Sneaky-peeky, cosy-dozy,
Prowly-yowly, sleepy-creepy
Fifty-bitey, ever-so-mighty)
Out in the moony dark.
